BIOGRAPHY

Event planners love Terré Holmes for a reason.

From homeless and hopeless, to soaring and successful, Terré Holmes ignites audiences with her life-changing message of succeeding against all odds and winning in the face of adversity.

Overcoming family addiction and childhood trauma , then a brush with death on the tail end of a divorce, she's survived some of everything.

Her message is clear, no one can stop you, but *you* and everyday you have a choice to get up and rise to the occasion that is your life.

She is a commanding speaker who has inspired thousands from the stage. Her warm and witty personality resonates with audiences globally and her ability to ignite and inspire the souls of her audiences is what event planners love the most and is why people can't get enough of her..

She's a certified life coach, through the International Coaching Federation, a real estate investor, mentor and coach, a published author and co-owner of the luxury hospitality brand, Oasis Luxury Living.

CURRENT WORK

Just call her, The Money Maximizer. Terré Holmes began her career as a stage actress in NYC and went on to become a classroom teacher and college professor in Chicago.

Today, she's a passionate and knowledgeable real estate investor, who loves teaching motivated women and their allies, how to maximize their money through real estate investing.

As well, she is the co-host of The Cashflow Breakfast Club, where she meets with new and seasoned investors monthly, to teach them how to create passive income for life through real estate.

In addition to her work in real estate, Terré is a former writer for Black Enterprise Magazine and her writings have also appeared in Swaay Magazine, Madame Noire and other media outlets.

She is a thought leader who lends her voice to radio and podcasts, to discuss resilience, creative real estate investing and women in business and is the host of a weekly podcast called, **Unlimited, The Terré Holmes Show**, which can be listened to on all podcast platforms and watched on Youtube.

When she's not traveling the world, speaking or teaching, you can find her at home in Maryland exploring her passion for food, while entertaining family and friends and whipping up something tasty to eat.

BEYOND Survival

The Audacity to W.I.N.

With her ability to craft stories that leave her audiences on the edge of their seats, Terré delivers a message that will inspire and transform any audience and takes audiences on a roller coaster ride of emotions.

Her keynote gives audiences the tools they need to adapt and thrive in uncertain times and push forward in spite of their obstacles.

She encourages her audience to see the opportunities that exist in all obstacles and to move beyond survival, by harnessing their personal power and resources and embracing change.

Terré shares the three essential ingredients for success in life, inspiring your audience to overcome challenges, embrace their potential, and achieve their goals.

Key Takeaways:

- Learn how to adapt and thrive in uncertain times.
- Learn how to tap into the power within to overcome anything.
- Discover how to adapt a resilient mindset no matter what obstacles come your way.
- Reclaim the passion for your life's work.

WOMAN

Work Your Wealth

Terré shares her personal story of pulling herself out from poverty by learning the basics of real estate and how it works. She teaches her audience of both men and women, the 5-steps to learning how to take control of their lives by taking control of their money.

This empowering talk breaks down the six key pillars of wealth creation specifically for women, providing them with a practical framework to achieve financial independence and build a secure future.

She takes her audience on a journey to identify their money blueprint and how it might be holding them back from achieving and having what they really want in life, outside of money.

Key Takeaways:

- Learn to master your money, by mastering your mindset. Identify what's really holding you back.
- Learn to see opportunities everywhere and maximize your money through the opportunities you didn't know existed before.
- Know your numbers and how you can use your money and other people's money to make money.
- Evaluate your financial condition and goals to determine your strategy for achieving financial freedom. Know your numbers.
- Start with what you have right now and don't compare your journey to anyone else's.

BIO

Condensed bio for event planners

Terré Holmes is a remarkable individual whose journey exemplifies resilience, ambition, and a dedication to empowering others, particularly women of color, in the realms of entrepreneurship and real estate investing. Her diverse experiences, from being an actress and stage writer to delving into the male-dominated world of real estate investing, showcase her versatility and determination to pursue her passions.

Throughout her career, Terré has not only achieved success but also made it a priority to uplift and inspire others. Her involvement in initiatives like The Cashflow Breakfast Club demonstrates her commitment to sharing her knowledge and expertise with aspiring investors, helping them navigate the complexities of financial empowerment through real estate.

Being recognized by prestigious platforms such as NBC, CBS, and Black Enterprise Magazine underscores Terré's impact and influence in the business world. Her accolade of receiving an Honorary Doctorate of Humane Letters further solidifies her contributions to education, publishing, mentoring, and entrepreneurship.

Terré's story serves as a beacon of inspiration for individuals from all walks of life, emphasizing the importance of resilience, continuous learning, and leveraging one's unique talents and experiences to make a positive difference in the world.
